Career Objective: As a recent graduate with a Bachelor's degree in Accounting and Finance and currently pursuing a PGDM with a specialization in Business Analytics, I am seeking a summer internship that allows me to apply my strong foundation in finance, accounting, and data-driven decision-making. I aim to leverage my analytical skills, proficiency in data analysis tools, and a solid understanding of business processes to contribute to the organization's growth. Eager to gain hands-on experience in business analytics, I aspire to develop expertise in transforming data into actionable insights, optimizing business strategies, and enhancing operational efficiency. I am committed to bringing a fresh perspective and making meaningful contributions to a dynamic business environment.
